TRAUMA remains a major cause of death for people ages 1-44 years old. The Emergency Nurses Association has responded to the needs of trauma patients by developing the Trauma Nursing Core Course (TNCC).

**PURPOSE OF TNCC** is to teach registered nurses core-level knowledge and psychomotor skills. With key elements: assessment, communication, trauma teamwork and management of the trauma patient.

**NEW ONLINE CONTENT** 2.24 contact hours are part of online pre-course content. Your email address is needed to access this content.

**Who can take the TNCC?** Any RN interested in improving their trauma nursing skills. Only RNs can test. (The authors recommend a minimum of 6 months experience in an emergency or trauma care setting).

**For EMS credits info go to** www.michigan.gov/documents/mdch/STANDARDIZED EMS_CEU_2-2007_186794_7.pdf

**TNCC Course preparation** this is a course where your knowledge and skills will be evaluated. Advanced preparation is highly recommended. **Course manual and schedule will be sent 30 days prior to the course, providing payment has been received.**

**Refund policy:** $175 of the $340 course fee will be refunded if written cancellation is received 30 days prior to the selected class date. If notice of cancellation is received after 30 days no refund is available.

Checks returned for insufficient funds will result in cancellation of your registration.

**ADA (Americans with Disabilities Act) statement:** "In accordance with the Americans with Disabilities Act, please advise Rich Herm in writing 14 days or more before the class if you have any disability that requires special materials and/or services. So that appropriate personnel can be advised.

**TNCC 7th Edition**
Course content consists of 24 chapters and psychomotor skill stations taught in a 16 hour format over 2 days. **Classes start at 8am each day.**

**Chapter Titles**
